Instructions for Ordering and General Information

To avoid misunderstanding and unnecessary correspondence, please read this page carefully before making out your order.

VERY IMPORTANT

Be sure your order is correctly made out by following closely the instructions given on this page. Always sign your name the same and please write plainly as this assists us in giving orders and letters prompt attention.

SEND ALL ORDERS TO THREE RIVERS

All orders should be sent to Three Rivers, Mich. We have no office at our Poseyville farm.

WE DO NOT EMPLOY AGENTS

Beware of anyone claiming to be our agent. Genuine Kellogg Pedigree Plants can be obtained only by sending your order direct to R. M. Kellogg Company, Three Rivers, Mich.

WHEN TO ORDER

Your order should be sent to us as early as possible. The earlier it is received, the more certain you will be to get your choice of varieties.

OUR ACKNOWLEDGMENT

We acknowledge receipt of all orders promptly. If you do not receive acknowledgment within a reasonable time, write us—giving full description of your order and remittance.

CORRESPONDENCE

In writing us regarding your order after it has been booked, or in sending balance of your remittance, always refer to the order number.

ADDITIONAL ORDERS

Additional plants may be ordered at any time, but if an additional order is received after March 1, for shipment from Indiana, or after April 1, for shipment from Michigan, it will be booked and shipped separately. Orders are not subject to cancellation or change during the shipping season.

ORDER IN MULTIPLES OF 25 PLANTS

Kellogg Pedigree Plants are accurately counted and tied into bunches of 25 plants, each bunch containing a label giving the name and sex of the variety. We do not furnish less than 25 plants of any variety, and plants of each variety must be ordered in exact multiples of 25; that is, 25, 50, 75, 100 and so on.

CHANGE OF ADDRESS

Advise us promptly of change of address, giving both your old and new addresses.

OUR TERMS

With the single exception of Public Institutions, we do not ship plants until full payment has been received. Please do not ask us to ship C. O. D. as we positively cannot deviate from this rule. If your order amounts to more than \$5.00 and you cannot conveniently remit full amount when ordering, a remittance of one-third will reserve the plants but the balance must be remitted not later than March 15th. Full payment should accompany orders amounting to less than \$5.00, and all orders which are sent to us after March 15th should include full remittance.

SPRING SHIPMENTS ONLY

It is advisable to have your plants shipped as early as possible. With our southern Indiana farm we expect to begin digging and shipping in February and can continue until about May 25th. We do not ship plants during the summer or fall. If you specify shipping date, we shall follow instructions as closely as possible, otherwise we use our own judgment.

SUBSTITUTION

We seldom find it necessary to substitute, but if, when it comes time to ship your order, we are unable to furnish certain varieties you have ordered, may we substitute in their place varieties of equal or greater value? *It is very important that you answer "Yes" or "No" in proper place on Order Sheet*, naming second choice of varieties if substitution will meet with your approval. If you do not indicate your wish, we shall assume that you wish us to use our judgment. We shall not substitute, however, unless necessary.

CLAIMS

Any claim for mistakes or adjustment must be made promptly upon receipt of plants. In reporting any discrepancy please state the number of plants of each variety, also number of crates or packages received and date received. This will assist us in making a prompt investigation.

Don't overlook ordering our two new varieties—Kellogg's Marvel (The Marvel of Beauty and Productiveness) and Kellogg's Delicious (The Strawberry that Satisfies). These two varieties will give you something extraordinary in Strawberries.
